On 28 September 2021, the *Southern African Journal of HIV Medicine* published the guideline ‘Southern African HIV Clinicians Society gender-affirming healthcare guideline for South Africa’* by Tomson et al.¹

The above guideline is a condensed version of the ‘Southern African HIV Clinicians Society Gender-Affirming Healthcare Guideline for South Africa – Expanded Version’²

Following post-publication review, certain sections in the guideline have been updated to correct wording that was inaccurately formulated in the published version.

The authors have been notified of this correction.

These corrections do not change the guideline’s recommendations in any way.

In the published article, the Acknowledgement and Funding Information sections stated the following:

Acknowledgements

The authors would like to acknowledge the contributors involved in the peer review process: Casey Blake, Pierre Brouard, Marli Conradie-Smit, Jenna-Lee de Beer-Procter, Diana Dickinson, Jenny Durandt, Kerry Frizelle, Gerhard Grobler, Naomi Hill, Kim Lithgow, Adele Marais, Sakhile Msweli, Lavanya Naidoo, Tammy Nash, Juan Nel, Simon Pickstone-Taylor, Suntosh Pillay, Alicia Porter, Ian Ross, Andrew Scheibe, Jireh Serfontein, Ariane Spitaels, Liesl Theron, John Torline, Leigh Ann van der Merwe, Niel Victor and Lee-Anne Walker. A special note of thanks also goes to Valencia Malaza from SAHCS for administrative support.

Funding information

The authors received no financial support for the research, authorship or publication of this article.

This correction updates the Acknowledgement and Funding Information sections as follows:

Acknowledgements
